Co-Founder Michael Kim Speaks About Striking the Entrepreneur-Lawyer Balance

September 11, 2017

Publication: *Hsu Untied*

In a recent Hsu Untied podcast, Michael Kim speaks with Richard Hsu about the challenges and rewards of founding a law firm and the firm's future. Mr. Kim delves into the firm's history and inception, the business of law, and how he and co-founder Steven Kobre ensure the firm stays ahead of the market.

The podcast, which published on [HSU Untied](#), can be accessed [here](#). HSU Untied podcasts feature high-profile legal industry veterans and business leaders, including Apple co-founder Steve Wozniak and venture capitalist Mark Cuban.
