D. Farrington Yates offers an analysis of the keynote address at the INSOL 2017 Tenth World Congress, citing the need for directors to carefully balance competing stakeholder interests and embrace a changing global landscape. Mr. Yates noted the speaker's advice to directors to rethink corporate governance by diversifying their boards, actively facilitate better decision-making, and confront the risks that are inherent in reorganization and liquidations. David Gonski, the chairman of the Australia and New Zealand Banking Group Ltd., delivered the keynote address.
