Investing in India? Vasu Muthyala Explains the Risks in Regulation Asia

March 31, 2016

Publication: ***Regulation Asia***

Former federal prosecutor Vasu Muthyala, a member of the firm's Asian Government Enforcement Defense team, and Asia-based US litigator Calvin Koo explore the risks of doing business in India in a *Regulation Asia* article titled "India Rising — Tread Cautiously." Mr. Muthyala and Mr. Koo discuss a heightened regulatory environment and the potential obstacles that investors face. The article provides insight into possible solutions including the need for a regulatory investigation response plan.
