## IP Trial Lawyer Michael Ng Explores the Newest Federal Trade Secrets Law and Its Impact on U.S. Companies

May 10, 2016

Publication: ***Fast Company***

San Francisco-based IP trial lawyer Michael Ng discusses the passage of the federal trade secrets act and implications for U.S. companies in Fast Company magazine. Mr. Ng explores how the Defend Trade Secrets Act (DTSA) enables companies to further derive value from their trade secrets; how companies can protect themselves for trade secret claims; and key steps that companies, particularly those who operate globally, can take to prepare for the law's enactment.
