Mitigating Risk in Asia-Based Internal Investigations: William McGovern, Eric Bruce, and Beau Barnes Discuss

November 21, 2016

Publication: ***New York Law Journal***

Former federal lawyers William F. McGovern and Eric Bruce, along with Beau Barnes, address the inherent risk in conducting internal investigations in Asia in a recently published *New York Law Journal* article. Lending from their experience conducting internal investigations across the region, the lawyers address the common pitfalls, including vague state secrets rules, constantly changing data protection regimes, varying attorney-client privilege laws, and the ever-present challenge of language and cultural differences.
