Precedent-Setting Digital Currency Recovery Team Explores Options for Fraud Victims

July 12, 2018

Publication: ***Bloomberg Law***

As digital currency skyrockets in value, it has become an appealing target for criminals seeking to defraud honest market participants. David McGill and Benjamin Sauter, the first lawyers to freeze misappropriated digital currency on a fraud victim's behalf, along with Washington DC-based lawyer Jake Chervinsky, survey the current landscape in a recent *Bloomberg Law* article. They analyze recovery methods and detail the options for recovering lost or stolen funds.
