Shaun Wu and Andrew Wang Discuss How Chinese Parties Can Prepare for Increasing Outbound Disputes

August 15, 2016

Publication: *World Commerce Review*

Chinese parties continue to invest increasingly large sums of capital into foreign ventures, with more than US \$101 billion invested in the first quarter of 2016 alone. In a recent article in *World Commerce Review*, Shaun Wu and Andrew Wang explore the inevitable risk of disputes and litigation that arise from these deals. Drawing from their experience representing Chinese, U.S., and European companies in joint venture disputes, they discuss how parties can mitigate risks associated with these deals and maximize value from their ventures.
