Trusts and Estates Team Explores Guardianship Issues Under U.S. Law in Wealth Briefing Article

February 1, 2018

Publication: *Wealth Briefing*

A trusts and estates team including Steven Perlstein, Adriana Riviere-Badell, Josh Sheptow, Robin Rathmell and James Corbett QC examine the issues guardianship raises as they apply to U.S. law in *Wealth Briefing*. The team explains how strategic estate planning can mitigate conflict among friends and family, minimize financial consequences, and ensure your wishes are executed in the event of cognitive decline or death.

The two-part article, “Guardianship: Strategies For Minimizing Risk,” can be read [here](#).
