William McGovern Discusses Asia's Increased Focus on Global Banking Investigations in The Wall Street Journal

June 11, 2014

Publication: *The Wall Street Journal*

Recently, Asian regulators have drastically increased their efforts at investigating and prosecuting misconduct in the banking and financial services sectors. Once within the sole purview of U.S. regulators, global banking investigations based out of Asia have begun moving into the forefront.

William F. McGovern discusses how and, more importantly, where these regulatory investigations will affect internationally based financial institutions.
