

## News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

### **Chambers & Partners Ranks “Market Leader” Kobre & Kim and Founder Michael Kim at Top of Asset Recovery Rankings**

June 28, 2021

Publication: ***Chambers & Partners***

In the latest *Chambers & Partners* “Global-wide Asset Tracing & Recovery Rankings,” both Kobre & Kim and founding partner Michael Kim were recognized in Band 1.

The ranking, which assesses law firms and individuals on criteria including technical legal ability, professional conduct and client service, lauds Kobre & Kim as “universally recognized as a market leader in the area of asset tracing and recovery” and points to the firm’s ability “to deliver the full spectrum of global asset recovery services in some of the largest international arbitration and litigation award enforcement projects.”

*Chambers* also quotes market peers recognizing Mr. Kim as “a legend in this field,” “an active and impressive lawyer,” and “a top-tier lawyer.” Another source said, “Overall Michael is an outstanding lawyer and has an exceptional ability to synthesize the facts and provide substantive feedback on key issues or strategies very quickly. His ability to speak three languages, English, Korean and Spanish, is a huge asset. My clients are as impressed with him as I am.”
