Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Kobre & Kim Placed in 2025 Global Investigations Review 100

November 21, 2025

Publication: ***Global Investigations Review***

Global Investigations Review has placed Kobre & Kim in its 2025 GIR 100, a leading list of the world's top firms handling sophisticated cross-border government-led and internal investigations of corporates and individuals.

The publication compiles its list of top firms based on the kind of investigations, resolutions and related trials that a firm has worked on during the research period, focusing on a range of factors, including reach, caseload and appearances before government authorities. The list includes "the best firms for companies and executives to call on during high-stakes corporate investigations."
