Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Kobre & Kim Receives Top Honors from Benchmark Litigation

October 29, 2013

Publication: ***Benchmark Litigation***

Benchmark Litigation ranked Kobre & Kim in the highest category this year in its plaintiff category, noting the firm's "truly unique" conflict-free business model focusing on cross-border disputes involving US \$50 million+. *Benchmark* also recommended Kobre & Kim for its work in the areas of white-collar criminal defense, asset recovery, and international arbitrations.

Additionally, co-founder Michael S. Kim was again recognized as a "New York Litigation Star" in both the general and plaintiff categories, for which *Benchmark* praised his "dynamic, aggressive approach."
