September 10, 2012

Kobre & Kim was recently ranked as one of the most highly regarded judgment enforcement/asset recovery firms in the world by the publishers of the *Global Arbitration Review*. The firm's International Judgment Enforcement & Offshore Asset Recovery team, which has been featured on the cover of *The Wall Street Journal*, was noted for "heavy involvement in high-stakes cases" and being "very valuable" in complex cases. In particular, firm co-founder Michael Kim was featured as one of the 10 most highly regarded individuals in the field worldwide.

The recognition comes as Kobre & Kim continues its expansion of its cross-border International Judgment Enforcement & Offshore Asset Recovery offering, with the opening of offices in the British Virgin Islands and Cayman Islands, as well as the addition of nine new lawyers to this practice group.
