Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Kobre & Kim Earns Top Score in Human Rights Campaign Foundation's 2023-2024 Corporate Equality Index

November 30, 2023

Kobre & Kim is proud to have received a top score of 100 on the Human Rights Campaign Foundation's 2023-2024 Corporate Equality Index (CEI), the nation's foremost benchmarking survey and report measuring corporate policies and practices related to LGBTQ+ workplace equality.

In addition to earning a score of 100 as a result of the efforts in satisfying all of the CEI's criteria, Kobre & Kim is also designated as a recipient of the *Equality 100 Award: Leader in LGBTQ+ Workplace Inclusion*.

The CEI rates employers providing these crucial protections to over 20 million U.S. workers and an additional 18 million outside of the U.S. Companies rated in the CEI include Fortune magazine's 500 largest publicly traded businesses, American Lawyer magazine's top 200 revenue-grossing law firms (Am Law 200), and hundreds of publicly and privately held mid- to large-sized businesses.

The CEI rates companies on detailed criteria falling under four central pillars:

- Non-discrimination policies across business entities;
- Equitable benefits for LGBTQ+ workers and their families;
- Supporting an inclusive culture; and,
- Corporate social responsibility.

The Human Rights Campaign Foundation is the educational arm of the Human Rights Campaign, America's largest civil rights organization working to achieve equality for lesbian, gay, bisexual, transgender and queer (LGBTQ+) people.
