

News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Kobre & Kim and Jason Masimore Recognized in Chambers High Net Worth UK-wide

July 21, 2023

Publication: ***Chambers and Partners***

Kobre & Kim has again been ranked highly in the *Chambers and Partners* United Kingdom-wide High Net Worth Guide 2023 with Jason Masimore earning individual recognition as well.

The firm was placed in Band 2 for “Financial Crime: High Net Worth Individuals.” *Chambers* cites testimonials saying the team “is extremely good with client management and do well to protect clients” and “is super responsive and quickly generates ideas and action plans.” The publication goes on to say the firm has “great lawyers but equally good support people to add depth to their case management.”

Jason Masimore was individually recognized in the category as well. Mr. Masimore is recognized as “extremely clever and has a very sharp mind.” A testimonial praises him as “tactically one of the best lawyers I have come across.”
