Publication: ***Global Restructuring Review***

Global Restructuring Review has placed Kobre & Kim on its seventh annual GRR 100, the most comprehensive edition of its guide to the world's leading law firms for cross-border restructuring and insolvency matters.

Describing the firm as “an eminent global disputes firm,” the publication notes the firm’s conflict-free profile and global insolvency-focused team across New York, the Cayman Islands, the British Virgin Islands, Hong Kong, London, Seoul, Delaware and Washington DC. The publication further spotlights Daniel Saval, Adam Lavine, Timothy de Swardt, Peter Tyers-Smith, Zachary Rosenbaum and Donna Xu, and cites client testimonials praising the firm’s “top of class” skills and ability to deliver arguments “in a way that appealed to the economics of the situation for the plaintiffs.”

The publication compiles its list by focusing on each firm’s work and achievements in 2022, as well as looking at a firm’s history, past cases, key partners, gender diversity, geographic scope and particular focuses.
