Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Kobre & Kim Tops Chambers Global-wide Asset Tracing & Recovery Rankings

July 5, 2022

Kobre & Kim has once again earned the very top rank in the *Chambers & Partners* Litigation Support Guide Global-wide Asset Tracing & Recovery rankings, with Michael S. Kim and Jef Klazen receiving individual recognition for their strengths.

Kobre & Kim is ranked in Band 1 for this category. *Chambers* lauds the firm as “universally recognized as a market leader in the area of asset tracing and recovery,” and refers to the firm’s members as “extremely knowledgeable in their respective fields.”

Michael S. Kim is also individually ranked in Band 1 in this category. Market professionals call him a “legend,” and “in a league of his own,” says *Chambers*.

Jef Klazen is individually highly ranked in this category as well. Sources praise him as “extremely efficient” and having “lots of ideas and an imagination that not everyone has.”
