

News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Lexology 2025 Asset Recovery Report Recognizes Kobre & Kim and Several Global Lawyers

July 30, 2025

Publication: *Lexology*

In recognition of our breadth of expertise and strength of our team, *Lexology* has once again listed Kobre & Kim and several lawyers around the world in their latest Asset Recovery report, which recognizes the foremost asset recovery experts worldwide.

Firm co-founder Michael Kim, Andrew Stafford KC and Jef Klazen were honored as Global Elite Thought Leaders.

Peter Tyers-Smith and Timothy de Swardt were ranked as Thought Leaders.

John Han, Marcus Green, Robin Baik, and Stephen Hayes were highlighted in the Asset Recovery category as well.
