Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

George Stamatopoulos and Michael Ng Recognized as Top Global Intellectual Property Strategists in IAM Strategy 300

August 27, 2025

Publication: ***IAM***

Kobre & Kim's George Stamatopoulos has been named to the IAM Strategy 300: The World's Leading IP Strategists for 2025. The rankings identify "top practitioners" who are "leading the way in developing and implementing strategies that maximize the value of IP portfolios." Mr. Stamatopoulos joins Michael Ng, who has been included on IAM's list of 300 premier leaders since 2019.

Kobre & Kim combines trial prowess with creative business strategies that unlock the value of intangible assets. Mr. Stamatopoulos has tried six cases in the past six years, and with colleagues across Kobre & Kim's 15 offices, including Shanghai, Seoul, Dubai, London, Hong Kong, Tel Aviv and São Paulo, has helped lead some of the most successful monetization campaigns of the past decade.
