Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Michael Ng Lauded Among Top Global IP Strategists in IAM Strategy 300 Global Leaders Guide

August 15, 2024

Publication: ***IAM***

The most recent *IAM Strategy 300* Global Leaders Guide has once again recognized Kobre & Kim's **Michael Ng** among the very top intellectual property (IP) practitioners and strategists in the world.

These rankings identify "the individuals who offer top-tier services to develop and implement strategies that maximise the value of IP portfolios," *IAM* states, listing only the "best and the brightest in the field."

Mr. Ng has been globally recognized for his work as lead counsel in trade secret litigation, including a recent **US \$604.9 million jury verdict in California**. He leads the firm's intellectual property and technology disputes team, which includes on-the-ground specialists in China, Korea, Israel, the UK and the U.S.
