

News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Michael Ng Named a Top 100 Lawyer by Daily Journal

September 18, 2025

Publication: ***Daily Journal***

Kobre & Kim's Michael Ng has been included in *Daily Journal's* list of the 2025 Top 100 Lawyers. The annual list recognizes the most influential attorneys practicing in California.

The publication praised Mr. Ng as a veteran who "has secured more than \$1 billion in recoveries for clients while handling some of the most complex patent, trade secret and technology disputes of the past decade."

"Intellectual property (IP) law is becoming more important, more international, and more integrated into every aspect of business decision-making," Mr. Ng told *Daily Journal*. "This means that we as IP practitioners need to get out of our silos and become core advisors to business leaders."
