Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Michael Ng Recognized Among Top Global IP Strategists in IAM Strategy 300 Global Leaders Guide

January 28, 2022

Publication: ***IAM***

The 2022 *IAM Strategy 300* Global Leaders guide has placed Kobre & Kim's Michael Ng among the very top intellectual property (IP) practitioners and strategists in major IP markets in North America, Europe and Asia.

A spot on the rankings is "the mark of a professional whose approach to intellectual property is regarded by peers as truly strategic in nature," *IAM* says. This follows Mr. Ng's recognition in the *IAM Strategy 300* in September 2021 among individuals with "exceptional skill sets." Mr. Ng was also placed in the *IAM Patent 1000* in July 2021, which also placed Kobre & Kim among the top California litigation firms as well as gave individual recognitions to IP litigators Daniel Zaheer and Michael Rosen.
