Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

### **Peter Tyers-Smith Recognized in Who's Who Legal "Restructuring & Insolvency 2023"**

December 22, 2022

Publication: ***Who's Who Legal***

Top legal market directory *Who's Who Legal* has recognized Kobre & Kim's Peter Tyers-Smith among the top practitioners in its latest "Restructuring & Insolvency 2023" rankings.

In recognizing Mr. Tyers-Smith as a leading individual in the Cayman Islands, the publication cites plaudits praising his "superb insolvency practice advising large corporations, investors and sovereign states among others on complex cross-border disputes."

The list recognizes more than 650 insolvency and restructuring practitioners around the world for "for their impressive expertise handling a wide range of corporate restructurings, insolvencies, distressed transactions and liquidations."
