December 20, 2022

The Private Client Global Elite has included Polly Wilkins, Evelyn Sheehan and Nicholas Surmacz among its list of the world's top private client lawyers advising high-net-worth individuals.

London-based Ms. Wilkins is noted in its "Global Elite - Lawyer" category while Miami-based Ms. Sheehan and London-based Mr. Surmacz are listed as "Rising Leaders" by the directory. The list also noted Ms. Sheehan's focus on dispute resolution or arbitration and Ms. Wilkin's focus on reputation and crisis management.

The Private Client Global Elite Directory was created with the awareness that referrals and recommendations are absolutely key to the private client sector. To know that someone is an excellent technical practitioner is not enough, it is integral for the maintenance of client relationships that the advisors referred to clients are good personality fits and masters of communication. As such, rather than a listing of private client lawyers as chosen by a third party, these are the best Elite Lawyers and Rising Leaders as chosen by peers in the industry.
