Polly Wilkins is Recommended Reputation Lawyer on Spear's Reputation Management Index 2024

February 7, 2024

In recognition of her extensive experience representing ultra-high-net-worth individuals (UHNWIs) and their families on reputation defense and cross-border litigation strategies, Kobre & Kim's Polly Wilkins is featured on Spear's Reputation Management Index 2024 as a Recommended Reputation Lawyer.

Spear's notes Ms. Wilkins "has developed a busy practice, often advising clients on multiple fronts to defend their personal and business reputation, as well as their assets and freedoms." She tells the publication: "Managing these issues is complex enough but having to deal with those allegations being published repeatedly – whether in the press, on social media, in compliance due diligence reports, or by international bodies and government agencies – quickly ramps the status to 'crisis' levels."

The prestigious index, curated by the Spear's Research Unit, presents "the definitive ranking of the names to know" of reputation managers and lawyers for UHNWIs worldwide, and are "the cream of the world's legal reputation specialists."
