It is with great excitement that Kobre & Kim announces Polly Wilkins has won Lawyer of the Year (Partner) at the 2020 Citywealth Future Leaders Awards.

The Citywealth Future Leaders Awards honor the achievements of “young professionals in the wealth sector and highlight the leaders under forty of today and tomorrow.” Citywealth Editor Karen Jones said: “Congrats to our shortlisted nominees and the winners today. You have been selected by judges who are industry peers and also by a public online vote from peers and ultra-high-net-worth clients globally. You are the best Future Leader wealth managers and advisors [of] 2020.”

Ms. Wilkins works closely with ultra-high-net-worth individuals – as well as their families and network of advisors – to develop cross-border litigation and reputation management strategies aimed at mitigating business and reputational risks involving their global business interests, including in Cyprus and across Europe, the Middle East, Asia, Australia, key offshore jurisdictions and the Americas.
