Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

10 Lessons for Patent Prosecutors: Daniel Zaheer Explores the Challenges of Patent Litigation at ABA IP Conference

April 4, 2017

Daniel Zaheer will share patent litigation strategies and the challenges prosecutors may face when preparing a patent for litigation before it is issued at the [ABA Intellectual Property Law Conference](#) in Arlington, Virginia, on April 5. The panel, titled “Patent: Ten Lessons for Patent Prosecutors from Litigation,” will discuss experiences asserting U.S. patents and provide actionable advice for preparing or prosecuting the application, including claiming strategies, enforcement issues and successful pretrial motions.
