

News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Ana Frischtak to Speak on Corruption Enforcement Trends at Latin Lawyer & GIR Live Mexico 2026

May 28, 2026

Kobre & Kim's Ana Frischtak will speak at *Latin Lawyer & GIR Live: Anti-Corruption & Investigations Mexico 2026*, taking place on 4 June 2026 in Mexico City.

Ana will join the panel "Corruption enforcement in Latin America: what has changed?" alongside fellow practitioners to examine recent shifts in enforcement trends across the region, as well as the practical implications for companies and individuals navigating investigations risk.

The conference brings together regional and international stakeholders to discuss evolving approaches to anti-corruption enforcement, cross-border investigations, and regulatory coordination in Latin America.

More information, including the full agenda, is available [here](#).
