

News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Calvin Koo Joins Hong Kong Digital Finance Association's "Future Stablecoin Summit: Risks and Opportunities with Stablecoin Adoption"

February 25, 2025

Kobre & Kim's Calvin Koo joined fellow experts for the Hong Kong Digital Finance Association's "Future Stablecoin Summit: Risks and Opportunities with Stablecoin Adoption" panel on February 17 in Hong Kong.

Mr. Koo shared his expertise on systemic risks, regulatory challenges, and opportunities for startups in building a robust stablecoin ecosystem.
