Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Daniel Lee on the Challenges of Conducting Internal Investigations

May 14, 2019

Seoul-based attorney Daniel Lee moderated a panel discussing best practices for conducting effective internal investigations in both South Korea and abroad at the ALB Korea Anti-Corruption Forum on May 9 in Seoul. The panel, entitled “Conducting Successful Internal Investigations – Challenges, Pitfalls and Best Practices,” walked legal and compliance experts through the process of conducting investigations while also providing insightful guidelines on a number of investigative issues, such as how to communicate with external stakeholders, how technology can aid investigations and common pitfalls to identify and avoid.
