Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

David McGill Moderates a Panel on Enforcement Actions involving Digital Currency

April 23, 2019

Kobre & Kim's David McGill, an accomplished investigator with a focus on the intersection of finance and technology, will moderate a panel of digital currency experts on law enforcement and regulatory actions within the sector at ABA's Fifth Blockchain, Digital Currency and ICO National Institute event on April 26th. The panel, entitled "Enforcement Actions," will explore recent actions from law enforcement and regulators that are shaping digital currency today, while also providing insights and predictions on the future direction of enforcement.
