### **Evelyn Baltodano Sheehan to Speak on Strengthening Asset Recovery Collaboration with Asset Recovery**

October 13, 2025

Kobre & Kim's Evelyn Baltodano Sheehan will join an expert panel at "*Closing the Asset Recovery Gap*", an online session hosted by Asset Reality taking place on October 14, 2025 at 2 pm UK - 9 am ET.

The discussion will bring together professionals with law enforcement backgrounds to explore how civil recovery, technology, and public-private partnerships can enhance victim recoveries in cross-border financial crime cases.

Alongside Nick Pailthorpe of Kodex, Evelyn will share insights on how civil recovery routes can work in tandem with law enforcement efforts, and how platforms like Kodex and Asset Reality are bridging coordination gaps between investigators, exchanges, and private practitioners.
