

## News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

### **Evelyn Sheehan Explores Civil Asset Recovery in the Americas with IBA**

September 11, 2024

Strategic coordination of new techniques and existing tools and remedies can leverage beneficial outcomes for debtors in cross-border asset recovery settlement negotiations.

Kobre & Kim's [Evelyn Sheehan](#) will share her expertise on multi-jurisdictional investigations and cross-border insolvency tools in a panel at the International Bar Association Global Conference on September 17 in Mexico City, focused on "Civil Asset Recovery in the Americas: The Indispensable Role of Insolvency Tools and Remedies."

Ms. Sheehan will explore the challenges and opportunities in navigating cross-border investigations, such as varying privilege protections across jurisdictions, as well as bankruptcy tools that debtors can leverage in defense against enforcement actions.
