

News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Farrington Yates Examines the Impact of Technology on Restructuring

April 25, 2018

INSOL fellow Farrington Yates will lead a discussion on the financial ramifications of data breaches, hacks and phishing scams at the INSOL New York Annual Regional Conference on April 30. The panel will explore the impact of privacy and data breaches on businesses and how the misuse of this data may lead to corporate restructurings.
