Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Farrington Yates Explores Offshore Insolvency and Recovery Strategies at ARIL Conference

February 9, 2018

Farrington Yates will share effective strategies for offshore insolvency and recovery February 9 at the Annual Review of Insolvency Law Conference in Vancouver, British Columbia, Canada. The panel titled “Offshore Challenges” will examine cross-border recovery and how to recognize and enforce U.S. regulatory remedies to recover assets held in offshore trust structures.
