Gabriela Ruiz Joins PwC Webinar on Post-Pandemic Cross-Border Investigations

July 22, 2020

The COVID-19 pandemic has radically changed the environment of cross-border disputes and investigations. Join Kobre & Kim's Gabriela Ruiz, based in Miami and São Paulo, as she discusses this and more in a webinar hosted by PricewaterhouseCoopers Brazil on Monday July 27 at 10am BRT / 9am EDT.

During the hour-long webinar, "Cross-Border Investigations," moderated by José Figueira of PwC Brazil, Ruiz will be joined by Lisa Vicens of Cleary Gottlieb Steen & Hamilton LLP and Tatiana R. Martins of Davis Polk. Together, the panel will discuss how the pandemic has led to unexpected changes in habits, breaks from norms and rearranging of social and legislative parameters. They will also touch on the consequences of the pandemic, including technological changes and changes in how investigations will be conducted, particularly by the U.S. Department of Justice and the Securities and Exchange Commission.
