Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Insolvency Lawyer Daniel Saval Explores Offshore Restructuring at INSOL's Annual Regional Conference

April 19, 2018

INSOL fellow Daniel Saval will discuss issues that commonly arise in international restructurings at the INSOL Annual Regional conference on April 29. On the panel titled "Offshore Restructuring: The Legal Overlay," he will explore what happens when a proceeding is initiated, key issues lawyers often face, and strategies for implementing a restructuring in offshore and onshore jurisdictions.
