Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

IP Lawyer Michael Ng Tackles Global Implications of IP Protection Strategies at Palo Alto Trade Secrets Forum

September 27, 2016

Michael Ng, San Francisco-based IP trial lawyer, led a discussion focused on protection strategies, global implications, and international enforcement of foreign subsidiaries at the *Managing Intellectual Property* Trade Secrets Forum in Palo Alto. The forum, which took place September 27, discussed the recent Defend Trade Secrets Act and how businesses can prepare for this new legislation.
