Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Jef Klazen Examines Asset Tracing Techniques at the International Enforcement of Judgments & Awards Forum

May 25, 2018

Jef Klazen will review asset tracing tools used in post-judgment discovery at the Cambridge Forum on International Enforcement of Judgments & Awards on June 4. The panel, “A Survey of Lesser-Known Judicially-Assisted Asset Tracing Tools & Techniques in Common Law and Civil Law Jurisdictions,” will explore the use and limitations of discovery and other court-assisted information-gathering techniques that are available in civil-law or common-law jurisdictions for cross-border asset tracing.
