Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

John Han Examines Global Asset Recovery at 7th IBA Asia Pacific Regional Forum Biennial Conference

February 23, 2023

Asset recovery is a crucial service to provide for creditors and claimants, including across the Asia Pacific region – but it is becoming an increasingly complicated endeavor. Kobre & Kim’s John Han, who focuses on the monetization and demonetization of debt instruments, claims, judgments and arbitral awards, unpacked the latest developments in global asset recovery at the 7th IBA Asia Pacific Regional Forum Biennial Conference in Singapore in a session at 1:45 pm local time, Thursday February 23, 2023.

The session, “Asset Recovery on a Global Scale – Judgments, Awards and Everything in Between,” was chaired by Dinesh Dhillon of Allen & Gledhill and Vivek Kathpalia of Cyril Amarchand Mangaldas. Joining Mr. Han were also Lucas Bastin KC of Essex Court Chambers; Hangil Lee of Bae Kim & Lee; Randal Phillips of Mintz Group; Shen Yi Thio SC of TSMP Law Corporation; and Marcel Wegmüller of Nivalion AG.
