Jonathan Cogan and Benjamin Sauter To Share Commodities and Derivatives Enforcement Defense Strategies at Chicago Bar Association Event

June 9, 2021

American commodities and derivatives regulators, including the Commodity Futures Trading Commission (CFTC) as well as the U.S. Department of Justice, have in recent years taken increasingly aggressive stances against traders, a trend that shows no sign of stopping.

Kobre & Kim's Jonathan Cogan and Benjamin Sauter, both of whom have been involved in high-profile enforcement cases against the government, will share some of their battle-tested strategies in handling particularly complex enforcement defense cases in a Chicago Bar Association Futures & Derivatives Law Committee program. The Q&A, "Standing Your Ground: Litigation Strategies for Commodities and Derivatives Enforcement Defense," will take place from 2:40 pm ET to 3:25 pm ET on June 16, 2021.
