

## News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

### **Jonathan Huth Navigates the Impact of Blockchain & Cryptocurrency**

September 14, 2018

On September 14, Jonathan Huth will speak on the panel “A beginners guide for the future: The impact of blockchain & cryptocurrency” at the ALM Corporate Counsel Forum. Mr. Huth’s discussion will provide insight into the future of the digital currency industry including the opportunities and challenges blockchain technologies present and the importance of coordination of government enforcement agencies across jurisdictions.
