

News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Kobre & Kim Hosts Web3 Global Roundtable in Hong Kong

February 25, 2025

Kobre & Kim was delighted to host a Web3 Global Roundtable in Hong Kong on February 19 on the sidelines of the Consensus conference.

Kobre & Kim's Hong Kong team was joined by friends and colleagues in the Web3 space from around the world to discuss crypto and blockchain related disputes, regulations, sanctions, entrepreneurship, policy and tax issues.

Thank you to all who joined us. Check out photos of the event below.
