Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Kobre & Kim to Host Simulation of Offshore and Onshore Asset Recovery During São Paulo Arbitration Week

October 6, 2025

Kobre & Kim and Canal Arbitragem are hosting a breakfast panel discussion during São Paulo Arbitration Week 2025. The session will feature a practical simulation of onshore and offshore asset recovery, with panelists discussing strategies to make arbitration award enforcement more effective. Taking place on October 23, 2025, from 9:00 to 10:30 am at Kobre & Kim's São Paulo office, the discussion will bring together Victor Clementino and Sergio Aguiar of Kobre & Kim, along with Leticia Barbosa e Silva Abdalla of CFGS. We look forward to welcoming participants to this interactive session exploring cutting-edge enforcement strategies.
