Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Kobre & Kim Sponsors 2020 Special Needs Foundation Cayman Breakfast Fundraiser

March 17, 2020

Kobre & Kim is incredibly proud to be one of two sponsors of the 2020 Special Needs Foundation Cayman Breakfast fundraiser at the Ritz-Carlton Grand Cayman on March 11, 2020.

The Foundation is a locally based non-profit organization supporting the inclusion of all persons with developmental disabilities in the Cayman Islands. They aim to provide appropriate and comprehensive support services to ensure people with special needs can reach their full potential, as well as to change the community's attitude towards disability and making Cayman more inclusive of those with developmental disabilities.

Attended by our very own Ulrich Payne, Victoria Köhler-Krüner, Kate Bates, Pamela Mitchell, Tonicia Williams, Oliver Smith, Nicole Farrington, Sophie Wonghen, Mark Longbottom (Duff & Phelps) and Alan Harcombe (Maitland), the fundraiser attracted 500 others to support this very worthwhile cause.
