Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Litigation Funding for Israeli Companies - Webinar

January 22, 2019

Litigation finance is becoming an increasingly important way for startup and growth-stage companies to defend their intellectual property assets. On **Tuesday, January 22**, two of Kobre & Kim's intellectual property lawyers, Israel-based **Michael Rosen** and San Francisco-based **Michael Ng**, hosted a webinar exploring how Israeli entrepreneurs and investors can benefit from the burgeoning litigation finance industry and maximize the value of their legal claims.

[Click here to watch the recorded webinar](#) (50 minutes).

In this webinar, you'll learn about:

- Fundamentals, Benefits and Challenges of Litigation Financing
- Key Steps to Securing Funding
- Common Questions/Misconceptions
- The Kobre & Kim – Bentham IMF Litigation Fund for Israeli Companies

Webinar details:

Date: Tuesday, January 22 at 10:00AM PST / 1:00PM EST / 20:00 IST
Registration: Registration is now closed.
