Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Michael Ng to Speak at Intellectual Property Industry Forum in Hangzhou

March 25, 2026

Kobre & Kim's Michael Ng will be speaking at the 5th Intellectual Property Industry Forum, taking place from March 31 to April 2 in Hangzhou.

On April 1, Michael will participate in Sub-forum E: Intelligent Manufacturing IP, where he will deliver a presentation titled *"Navigating Cross-Border IP and Trade Secret Disputes: Risk, Strategy and Enforcement"* at 14:35. His session will explore key considerations in managing cross-border intellectual property risks, with a focus on enforcement strategies and dispute resolution in complex, multi-jurisdictional contexts.
