Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Nathan Park Discusses Cryptocurrency Enforcement Trends at NAPABA Northeast Regional Conference

June 8, 2018

On June 9, Nathan Park will explore the regulation of cryptocurrency across jurisdictions at the NAPABA Northeast Regional Conference. The panel titled, "Keeping up with Crypto," will highlight global regulatory efforts, provide insight into how U.S. regulators are approaching cryptocurrency enforcement beyond U.S. borders and discuss the future direction of enforcement actions.
