Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

On-Demand Webinar: Eric Bruce, William McGovern, and Shaun Wu Untangle Hazards of Internal Investigations Conducted in Asia

October 17, 2016

Internal investigations in Asia are rife with risk for the unprepared. In this on-demand webinar, former U.S. federal lawyers Eric Bruce and William McGovern, along with Hong Kong-based lawyer Shaun Wu, explain key considerations for investigations in the region, including:

- issues around state-secrets and varying attorney-client privilege laws;
- preserving *Upjohn* protections across language and cultural differences;
- cultural concerns when doing business in Asia; and
- how to balance competing interests in China, Korea, Hong Kong, and Singapore.
