Randall Arthur Analyzes the Role of Insolvency Administrations at Fraud, Asset Tracing & Recovery Asia

June 23, 2015

Randall Arthur presented on a panel titled “The Role of Insolvency Administrations in Global Asset Recovery,” at the Fraud, Asset Tracing & Recovery Conference in Hong Kong on June 23. The panel participants examined the different approaches and best practices for insolvency related asset recovery, such as dealing with the challenges of cross-border recognition and how to work effectively with insolvency practitioners and forensic accountants in recovery actions. The speakers also discussed how differences in the insolvency regimes in various Asian jurisdictions impact the procedures that can be used by looking at the recent developments in Asian and offshore jurisdictions.
